

# 4 DAYS – BE IN “ORE” WITH THE HISTORY AT MELDERSTEIN MANOR

*Melderstein Manor is in a scenic location close to Råneå River. The old works environment surrounding Melderstein Manor has a special harmony and atmosphere. Melderstein Works Manor dates to 1741 and was built to handle the iron ore mined in Malmberget. The works era lasted until 1892. Since 1995, Melderstein Manor is owned by the Thingvall family, who carried out extensive renovation and refurbishment of the old Manor building.*

*Melderstein Manor offer 13 modern rooms, a fully licensed restaurant for pre-ordered meals, a sauna section, yoga studio and a chapel. The rooms are in two buildings: The Manor itself and the courtyard annex. All the rooms are renovated in keeping with the buildings in which they are situated.*

If you are looking to get away with your family as travel returns from COVID 19, why not become lord and lady of a Swedish manor as guests of its founder's descendants, 280 years after it was built.

We have now opened our doors to a new 3 nights travel experience where guests follow in the footsteps of yesteryear, as they journey along the original Iron Ore road to stay at a traditional Swedish manor that was built from the profits of the first mining concession in the region. Here, you will be hosted by direct descendants of the original owner, Carl-Johan Thingwall, whilst calling the manor your home for the rest of your stay.

You will arrive into the manor along the Iron Ore road by dogsled, before enjoying the chance to meet and dine with my father, Göran, and me Katarina to learn more about this fascinating building and family.

During the stay, there is a lot of activities to do such as husky tours, fat bike on ice, snowmobile tour, sami visit, ice fishing, cross country skiing, city tour, yoga, hot tub and more. All activities must be pre-booked.

Melderstein Manor offers 6 generous rooms, which can be booked **exclusively** for a party or individuals. Come and experience the history of our family, the building, and the region.

#### **INCLUDED:**

3 nights at Melderstein Manor in twin room  
3 breakfast  
2 lunch  
1 three-course dinner with Storytelling  
2 dinner
